Meet Michelle Oroschakoff

Managing Director, Chief Legal Officer

What is your role at LPL?

I lead the Compliance, Legal & Risk organization. We are focused on delighting advisors and their clients through an industry-leading client service and risk management experience that helps them grow and thrive while also protecting them from risk.

How would you describe LPL in three words?

Passionate, Caring, Exciting

What do you enjoy most about LPL's culture?

As #OneTeam, we are committed to delivering on our mission to take care of our advisors and protect their business – leading with empathy, embracing career development opportunities, and championing innovation and continuous improvement.

What is on your 2021 bucket list, at or outside work?

I'm excited that I recently crossed it off the list! My husband and I celebrated a lovely Easter in the San Diego sunshine with my mom, and it was the first time we were able to see her in 16 months.

What is your favorite activity or hobby outside of work?

I enjoy traveling (pre-COVID of course!), reading, playing tennis, cooking, and swimming.
