LPL Financial Insured Cash Account (ICA):
Current Priority Bank List Retail Accounts

Effective February 12, 2021

ABOUT THE PRIORITY BANK LIST (PBL)

The Priority Bank List is a list of available Banks into which your funds may be deposited and is available from your financial advisor and on lplfinancial.lpl.com/disclosures. The Banks appear in columns by state or region. In the column under your applicable state or region are multiple Banks in the order in which your funds will be allocated. The last banks on the list are "Excess Banks" and are noted as such. For all other banks on the PBL except these Excess Banks, LPL Financial as your agent will ensure that your ICA sweep deposits do not exceed the \$250,000 (or \$500,000 for joint accounts) FDIC-defined ownership category limits. For the Excess Banks, your funds may be deposited without consideration of the \$250,000 and \$500,000 limits. However, this will only be done when there is insufficient capacity in other Banks on the PBL to take your assets and not break through the \$250,000 and \$500,000 limits and is meant to be temporary in nature.

You may not change the order of the Banks on the PBL. However, you may, at any time, designate a Bank as ineligible to receive your funds. This will result in your funds not being deposited into this bank or if already there, we will remove your funds from that Bank and designate the Bank as ineligible to receive future deposits. Unless you direct us to place your funds in a different investment, your funds from eliminated Banks will be deposited at the first available Bank set forth on the Priority Bank List, as amended by you. To make these amendments, you need to inform your financial advisor.

You should review the PBL carefully. If you already have funds at any Bank on the list, please notify your financial advisor to designate that Bank as ineligible as detailed above so that no additional funds are allocated through this program to that Bank, which should help to avoid deposits in that Bank exceeding your FDIC-defined ownership category insurance limits. You are responsible for monitoring the total amount of deposits that you have at a Bank to determine the amount of FDIC insurance you may have available to you.

On the Priority Bank List, Banks may be added, removed, or the order of the priority sequence may change. Please consult your financial advisor or LPL.com periodically throughout the month for recent updates and information regarding how these changes may impact your account.

If a Bank at which you have funds is no longer available through the ICA program, you may choose to establish a direct depository relationship with the Bank, subject to its rules with respect to establishing and maintaining deposit accounts. If you choose not to establish a direct depository relationship with the Bank, your funds will be transferred to the first available Bank set forth on the Priority Bank List.
